### Waiver Statement

I, \_\_\_\_\_, acknowledge that riding and racing bicycles fundamentally involves great risks of bodily injury (even death) to myself and to others, health risks, and property damage risks. I voluntarily and knowingly assume these risks. I understand that my safety and health is my own personal responsibility, and that I am free at any time to refuse, and should refuse, to do anything that I feel poses a hazard to me or anyone else. In consideration of my Club membership, on behalf of myself, my heirs, and executors and administrators, I voluntarily waive all rights against, and release and forever discharge, Peninsula Velo, its directors officers and Club members, USA Cycling (and its officers, directors, agents, and employees; sponsors and producers of any USAC event; and if applicable lessors and owners of any USAC event) (all of the foregoing, including their agents, representatives, successors, and assignees, "Released Parties") regarding and from all liabilities, actions, claims, demands, damages, costs, and expenses, of any nature including but not limited to injury, death, loss of use, or damage, which I may now or in the future have against any of them, arising out of or related to my membership, the sport of cycling, a group ride, my participation in an event, or enroute to or from an event, due to any cause including but not limited to the negligence (including the sole negligence) of any of the Released Parties. To the best of my knowledge my physical condition and fitness are adequate for me to safely ride a bike in any manner and circumstance that I may attempt, and no medical professional has advised me otherwise. I agree to abide by the rules of Peninsula Velo and sponsors of racing events. This waiver and release shall remain effective unless and until the later of: a) the termination of my membership in Peninsula Velo; and b) Peninsula Velo's receipt of my signed withdrawal from this Waiver/Release.
